More Reviews >> Lots of love to episodes Please always write new and amazing stories I Like Recently I started reading love life but when I'll complete it I'll surely like to read ur story I Like I liked it because it was sooo obviously cliché that it was funny and the story just owned it. I really liked it. And by the end of the episode, Lewis actually becomes our first 'Worshipper'. Episode Choose Your Story - Pocket Gems!t's party time!Much like the Love Island game, the choices that you make determine who does and doesn't like you.During Episode Choose Your Story you can earn admiration, instil fear and ignite desire in other people.After finding out from Lewis who the most popular girl in school is, Tanya decides to take her down.Of course the best way to do that is to gain status by throwing a huge party at your parents' mansion.Tanya and Miss Popular 'Riley' have a stare off at the party and we manage to make her feel small.Episode Choose Your Story - Pocket GemsGet everything ticked off your checklist!The first story of Episode is very easy to follow with a simple numbered checklist system.The game rolls on and all you really need to do is make wise choices when they're put to you.Of course, there are tonnes of opportunities to purchase things which would change the game and potentially move it in a different direction but we went for the free option this time.It can't have made much difference as by the end of episode 1 we're on our way to collecting 20 worshippers!Now it's time for story two - The Kiss List. Millions of people have installed Episode Choose Your Story onto their mobiles. Have something to tell us about this article? And five years on and the game is still going strong with a pretty much unlimited amount of stories to add.Whether it's love, popularity, fame or fortune you're after, when you're playing Episode it's all possible.Get ready to zone out and get immersed in the Episode world as we walk through the first part of Episode Choose Your Story!SEE ALSO: Love Island Game: Why is season 2 Noah so hard to couple up with?Episode Choose Your Story - Pocket GemsEpisode Choose Your Story - walkthroughOnce downloaded, Episode is ready to play in a matter of clicks. I was desperate when the passes will be refilled and I will get to play episodes.it is the craziest thing. We opted for the story suggested to us and ended up going back to highschool.The Kentwood takeover involved our character, Tanya, establishing herself as the 'Head B** In Charge' of the school.The character is the daughter of a millionaire so she's pretty much got everything she needs when it comes to inciting jealousy or throwing a huge party.We didn't get to choose or build the character but we chose what she wore.She wanted to blow every other pupil's mind in a black skirt and top ensemble but we're not willing to pay actual cash for a virtual outfit so she had to opt for a 'plain jane' look.Episode Choose Your Story - Pocket GemsFind a loyal sidekickOnce dressed and ready for school Tanya leaves her mansion and attends Kentwood High for the first time.The high school is certainly one that dreams are made of as we learn of the sushi bar and juice station as well as the tonnes of incredibly good looking students.The character has set out a to-do list for the episode in order to take over the school so first things first we have to find a loyal sidekick, apparently.We set our sights on Lewis and paid him a compliment on his outfit choice. If we manage to beat Riley at the challenge of kissing all these people at Kentwood high then she'll give up her position as HBIC and we take the throne!Episode Choose Your Story - Pocket GemsSubscribe and read the new Reality 'Tibbit' magazine here.DOWNLOAD EPISODE CHOOSE YOUR STORY FOR ANDROID AND APPLE DEVICES FROM THE GOOGLE PLAY AND APPLE APP STORES FOR FREE. It's an interactive fiction game where each choice you make progresses your story in a different direction.Pocket Gems released Episode Choose Your Story all the way back in 2014. I never felt it before for any game. Community Episode Fan Community I am a beginner in episodes... As it was my first story .
